WELCOME DR. BENZL!

Advanced TMS Center welcomes the addition of our newest Psychiatrist, Dr. Jerry Benzyl. He is accepting new patients as of May, 2021

ABOUT DR. BENZL

My academic and medical training history is diverse. My undergraduate degree is from U.C. Berkeley in mathematics and economics. My master's degree is in social sciences from UC Irvine. My journey in psychiatry started at the University of Illinois College of Medicine in Chicago, where I completed both my M.D. and psychiatry residency. Illinois was a fantastic place to learn and train, with cultural diversity, and a wide spectrum of patient circumstances. Back home in my Orange County community, I did my fellowship in Child and Adolescent Psychiatry at the University of California, Irvine. I see psychiatry as a field where each person's health is impacted by their environment, biology and interpersonal relationships.

Advanced TMS Center Ladera Ranch, CA

ABOUT ADVANCED TMS CENTER

Founded by Dr. Kevin Kinback in 2009, Advanced TMS Center has grown into a comprehensive mental health practice, including psychiatrists, psychologists, and therapists. We are expanding to meet the mental health needs of Orange County. Our mission at Advanced TMS Center is to provide personalized, high-quality care to children, adolescents, adults, and geriatric patients.
